Description of Event:

This is a Rally Sprint event consisting of 6 x 3k stages to be run on the closed gravel and dirt roads of Ledwidge Lumber in Tennecape NS. The event will consist of 18km. of stages and approx. 12 km of transits. The stages are single lane in width with varied surfaces, ranging from smooth gravel to packed soil. The event is organized to allow for multiple driver cars.

Fuelling - as per CARS regulations:

All Service Crews must have at least one fire extinguisher with a minimum UL rating of 40BC or 2-20BC in their respective service area. The fire extinguisher shall be easily accessible and in an area visible to anyone within the teams' respective service spot. There will be only one refuelling area located at the service area. Refuelling at other locations during the rally shall be deemed to be illegal service and may be penalized according to NRR VII.C. Commercial fuel is not available at the start location. Fuel is available en route to the start location at the ESSO noted in the directions.
NOTE: Refuelling of any vehicle is not permitted in service area.
